

Thank you for joining us on Celebration Sunday! Today, we're celebrating a work that God began in our hearts about 8 months ago. What some people thought was a crazy idea, God brought to fruition, and we are celebrating the results of that today. This merger has not only been great for Buena Vista and Faith United but has already opened the hearts and eyes of other leaders to see that God is still doing things out of the ordinary so he can get glory. We are excited about what God has done, is doing, and will do in the future with Cornerstone Baptist Church.
