

Good morning. I hope everyone is as excited as I am about what God is doing at Cornerstone Baptist Church. We have some exciting things coming up here that everyone can have a part in. Please keep an eye out for announcements in the bulletin, the church website and the Facebook page.

This past Tuesday, we participated in a county-wide prayer walk for all middle and high schools. The organizer of the event said, typically, they have about 90 participants in a county show up to pray. In Pulaski County, we had 170. Praise the Lord for that. I believe God is beginning to do something great in our county.
