

Good morning church family. This is the time of year when it seems we tend to set aside more time to show our appreciation for one another as well as what the Lord has done for us. No doubt, we all have plenty to thank the Lord for as we are coming to the thanksgiving season. Sometimes, however, with all the hustle and bustle of this time of year, we can easily forget what it's all about. I would encourage everyone to make it a priority to go through the rest of the year with thankful hearts.
