

Good morning!

I hope that everyone had a wonderful week and is looking forward to celebrating the birth of our savior this coming week. I pray that we have taken the time to reflect on all that we have to be thankful for and to contemplate things we want to do during the upcoming year. As your pastor, I challenge each one of you to make a commitment this coming year to become involved in the ministries of this church. I also ask each of you to choose a ministry that you are passionate about and make a commitment to become involved. It can be a new ministry you want the church to be involved in or something we already do. It could be singing in the choir, helping in the nursery, driving the bus or something else that you have a passion for. Write your suggestion down, bring it to me, and let's pray about how God can use you in the church.
