

Good morning!

Here we are celebrating our third Sunday in 2020 already. I sincerely hope that you have not wasted a moment this year when it comes to your service in the Lord's work. I am thankful for fresh starts and from time to time, we all need one. Don't let past disappointments or failures keep you from what God has called you to do for him. For several weeks I have asked for individuals to pray about where you felt God could use you the most in the church and to let me know. So far, I have had one person come forward and ask to help. I know there are more, and I know that God has a purpose for all of you. Don't let another year go by where you look back and don't see any fruits in your Christian walk. Start today in your service for the Lord.

Bro. Jamie
